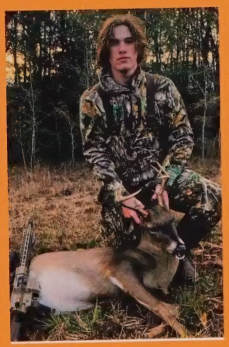
Austin,

We are so proud of the young man you have become. Your mindset to do the things you must do to achieve the outcomes you desire is unmatched and refreshing. Never stop working hard. Remember to stay humble and always be kind. We love you!

Love, Mom and Dad

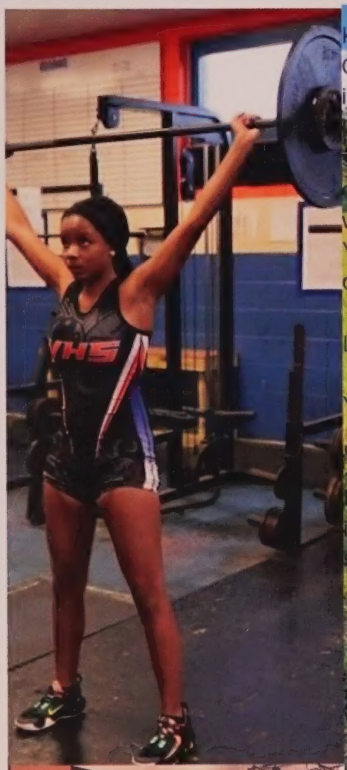


Lauren Moon

Pookie Bear,

Words can't fully express how proud we are of you. You've faced more than your share of challenges, yet here you are—strong, accomplished, and ready for the next chapter. As Battalion Commander in JROTC, section leader in the band, and a dual-enrolled student at Chipola, you've proven time and time again that determination and heart can overcome anything. I just wish you could see yourself the way we see you—brilliant, resilient, and full of potential. Never let anyone dim the light inside you or change the person you know you are. We will always be here, cheering you on and loving you endlessly. Congratulations, sweet girl.

Love always, Momma, Kyle, & Savannah.



Kiley,
Congratulations on this milestone in life. Never let anyone dim your light, because you have the strength and determination to chase your dreams, no matter what obstacles come your way. You are loved more than words can express.

Love,

Your Family
